## Thank you for using CatMan Next.

This guide contains information on how to login to CatMan Next on your Tablet or Mobile.

### 1 Access to CatMan Next Pictures and Plans App

Send an email to CatMan Solution Support, with name and email addresses of those who need access to the CatMan Next Pictures and Plans App: [cms.support@catmansolution.com](mailto:cms.support@catmansolution.com).

When Support has granted access, an email will be sent along with your username, a password and this guideline.

#### 1.1 Username and Password

The username and password that you received from Support will always be the same regardless of whether it's for login at your: PC, Tablet/Mobile, Workspace App or Pictures and Plans (PAP) – except B2B customers.

You can't change the assigned password as a result of privileges. Therefore, you must write to [cms.support@catmansolution.com](mailto:cms.support@catmansolution.com), if you have forgotten it or want a different/new password.

### 2 Sign in and Download Pictures and Plans App on your PC

Sign in and download the app on the device your need and remember to use the correct account. It works on all devices, but specially designed for mobile or tablet, because it is easy to transport in stores, and the App has a built-in scanner function.

#### 2.1 PowerApps on Mobile or Tablet

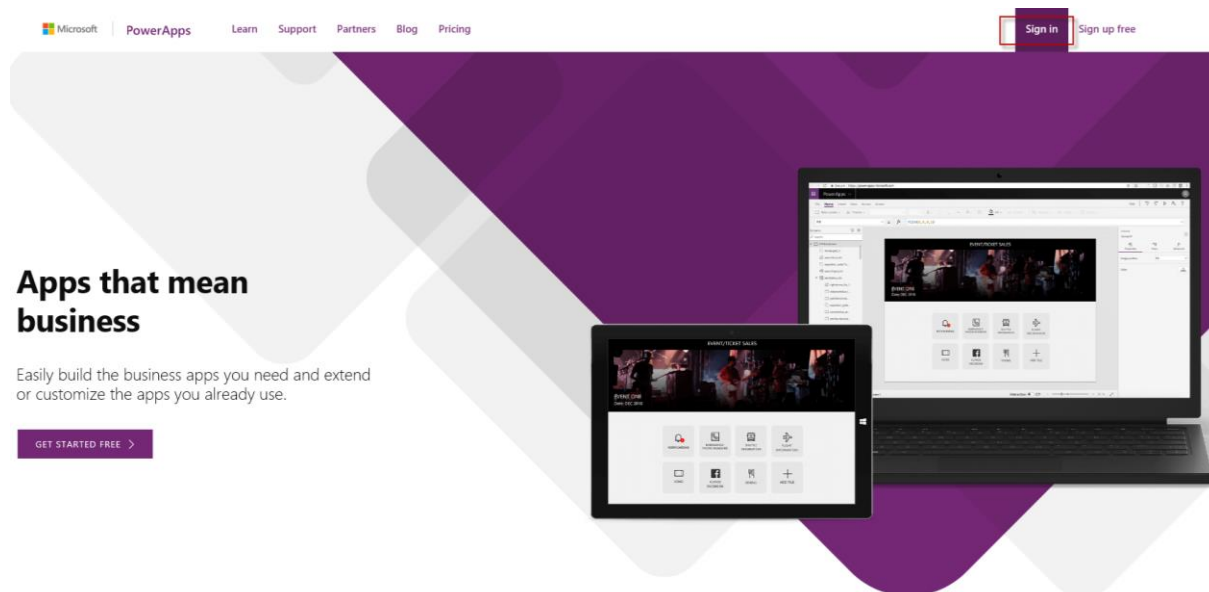

Download PowerApps at your mobile or tablet. Choose between: "Windows Store", "App Store" or "Google Play" etc.

Press "Install" or "Get the app", and PowerApps will be downloaded on your Tablet or Mobile.

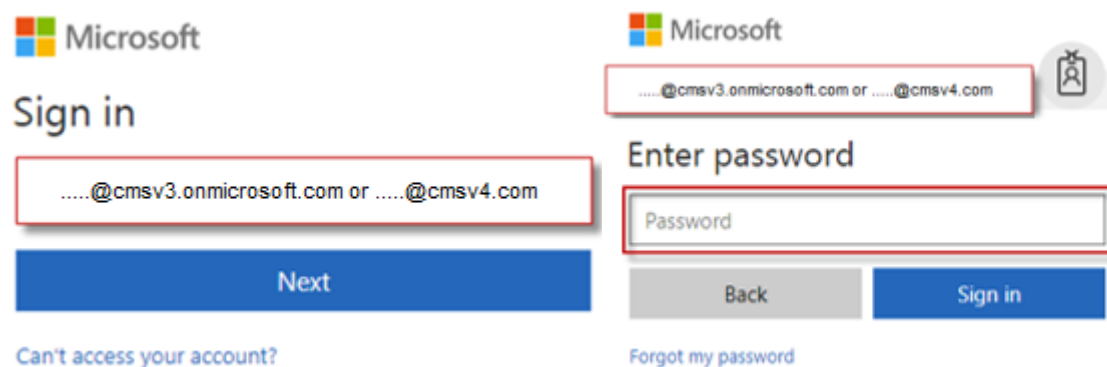

## 2.2 PowerApps on PC

Download the PowerApps on your PC: <https://powerapps.microsoft.com/da-dk/>

Enter your CatMan Next username and password

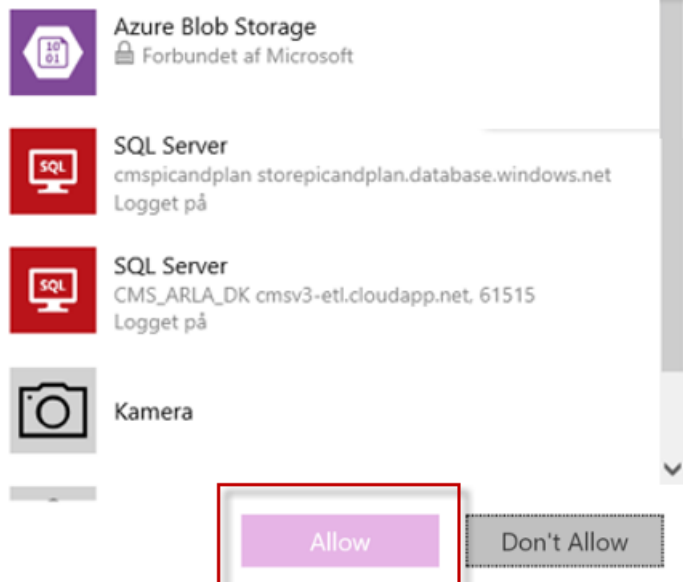

## 2.3 The first time you sign in – you must give your permission

The first time you sign in, you must also give your permission to use the camera and location etc. Sign in on your Mobile, Tablet or PC with your username and password, that you received from Support (along with this guideline). Push the button "Allow".

## 6 Licenses at CatMan Solution – member and admin user

The Sales Team concludes the agreement concerning licenses.

There are two licenses at CatMan Next: member and admin user. Most are members. If you have Pictures and Plans App (PAP), you must also have a license for each user.

Member licenses can't make changes in the setup or PBI reports.

Admin user access gives you editing rights and allows you to change the setup and PBI reports. Please be aware that all changes made by admin. user is at your own risk and will have some costs with assistance from CatMan Solution – which can be expensive depending on the outcome.

The agreement concerning licenses is made between the CatMan Solution Sales Team and the company or customer.

Enjoy CatMan Next!

Best Regards

The CatMan Solution Team
